The Royal Military College of Canada

THE Royal Military College of Canada is the only National Educational Institution in the Dominion and is specially designed to furnish the Gentlemen Cadets with a high scientific and academic education which will provide the foundation for their success in either civil or military life.

Commissions in all branches of the Imperial Army, Canadian Permanent Force and Royal Canadian Air Force are offered annually to Graduates.

A Diploma of Graduation from the Royal Military College is accepted by the principal Universities of Canada as equivalent, subject for subject, to those covered in the first three years of the university course.

The length of the course is four years, in four terms of about ten months each, and the total cost of the course, including accommodation, board, uniform, instructional materials, etc., is about \$1,500.

Candidates must be between 16 and 19 years of age on the 1st January of the year in which they enter the College. The entrance qualifications are Junior Matriculation in Arts or Science or the accepted equivalent examination for the Province in which the candidate resides. Vacancies are allotted, according to population, to the respective Provinces, and are filled in order of merit obtained by candidates in the examinations above mentioned.

Applications, accompanied by certified abstract from Birth Register, in duplicate, and certificate of good moral character, signed by the clergyman of the place of worship the candidate usually attends, or by the head of the school or college at which he has received his education for at least two preceding years, should be submitted before the 31st May to

THE SECRETARY,
DEPARTMENT OF NATIONAL DEFENCE,
OTTAWA, ONTARIO

by whom full particulars will be furnished.

WARRANTS, REGULATIONS, ETC.

THE VICTORIA CROSS WARRANT.

GEORGE R.I.

WHEREAS Her late Majesty Queen Victoria, by a Warrant under Her Royal Sign Manual dated 29th January, 1856, did create a Naval and Military Decoration to be styled and designated "The Victoria Cross", and did express Her desire that this decoration should be highly prized and eagerly sought after by the Officers and Men of Her Naval and Military Services.

AND WHEREAS by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the decoration, and certain amendments were made to the Rules and Ordinances attaching thereto.

AND WHEREAS We deem it expedient that the said Warrant and subsequent Warrants before referred to, as also the Rules and Ordinances affecting the same, shall be consolidated, varied and extended.

NOW, THEREFORE, We do hereby declare that the said Warrants, and the Rules and Ordinances heretofore in force for the Government of the said Decoration, shall for that purpose be amended, varied, modified and extended; and in substitution thereof We by these presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following Rules and Ordinances for the Government of the same which shall from henceforth be inviolably observed and kept:—

FIRSTLY, it is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross", and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it an escroll bearing this inscription: "For Valour."

SECONDLY, it is ordained that the Cross shall be suspended from the left breast by a red riband, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

THIRDLY, it is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

FOURTHLY, it is ordained that the Cross may be awarded posthumously.

FIFTHLY, it is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the decoration shall be published in the London Gazette, and a Registry thereof kept in the Office of Our Secretary of State for War.

SIXTHLY, it is ordained that:—

(1) Officers, Warrant Officers and subordinate Officers hereinafter referred to as Officers, Chief Petty Officers and Petty Officers hereinafter referred to as Petty Officers, men and boys hereinafter referred to as Seamen, serving in—(a) our Navy or in ships of any description for the time being under Naval Command; (b) our Indian Marine Service; (c) Navies or Marine Services of our Dominions, Colonies, Dependencies or Protectorates; and (d) our Mercantile Marine whilst serving under Naval or Military Authority, or who in the course of their duties may become subject to enemy action;

(2) Officers, Warrant Officers, Non-Commissioned Officers, men and boys hereinafter referred to as Marines, serving in our Marines;

(3) Officers, Warrant Officers (Classes I and II), Non-Commissioned Officers, men and boys hereinafter referred to as Privates, of all ranks serving in our Army, our Army Reserve, our Territorial or other forces, and the Forces of our Dominions, Colonies, Dependencies or Protectorates;

(4) Officers, Warrant Officers, Non-Commissioned Officers, and Airmen in the ranks of our Air Force, or the Air Forces of our Dominions, Colonies, Dependencies or Protectorates;

(5) British and Indian Officers and men of all ranks of our Indian Army, the Imperial Service Troops of Native States of India, or any other Forces there serving under the Command, guidance, or direction of any British or Indian Officer, or of a Political Officer attached to such Forces on our behalf, and

(6) Matrons, sisters, nurses and the staff of the Nursing Services and other services pertaining to Hospitals and Nursing, and Civilians of either sex serving regularly or temporarily under the Orders, direction or supervision of any of the above mentioned Forces shall be eligible for the decoration of the Cross.

SEVENTHLY, it is ordained that if any recipient of the Cross shall again perform such an act of bravery as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the Riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously.

For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

EIGHTHLY, it is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow and attestation of the act as he may think requisite, and if he approves he shall recommend the grant of the decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War and the Royal Air Force as the case may be, who shall submit to Us the names of every one so recommended whom they shall consider worthy; in the case of there being no British or Indian Officer, then the Political Officer attached to the Force shall, after obtaining conclusive proof of the act of bravery as far as is possible if he approve, submit the recommendation to Us through the proper channels.

NINTHLY, it is ordained that in the event of any unit of our Naval, Military or Air Forces, consisting in the case of our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of our Army of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of our Air Force of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Admiral, General or other Officer in Command of the Force to which such unit belongs, is unable to single out any individual as specially pre-eminent, in gallantry or daring, then one or more of the officers, warrant officers, petty officers, non-commissioned officers, seamen, marines, private soldiers or airmen in the ranks comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier or airman in the ranks shall be selected by the seamen, marines, private soldiers or airmen in the ranks engaged.

(b) When the total personnel of the unit exceeds 100 but does not exceed 200, then the number of seamen, marines, private soldiers or airmen in the ranks to be selected in the manner described in (a) shall be increased to two.

(c) When the total personnel of the unit exceeds 200 in number, the number of the Crosses to be awarded in accordance with these provisions shall be subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Secretaries of State for submission to Us.

(d) The Selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the officer directing the selection to be made.

(e) The death of any person engaged shall not be a bar to his selection.

(f) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in Rule 8.

TENTHLY, it is ordained that every recipient of the Cross, not being nor ranking as a Commissioned Officer nor in the case of Our Navy, being or ranking with a warrant officer, nor coming within Rule 11, shall from the date of the act by which the decoration has been gained, be entitled to a special pension of Ten Pounds a year, and each additional act conferred under Rule 7 on such recipient shall carry with it an additional pension of Five Pounds per annum.

ELEVENTHLY, every Indian Officer of our Indian Army of rank junior to that of Second Lieutenant who shall have received the Cross shall, from the date of the act by which such decoration has been gained, be entitled to a special pension of Five hundred and twenty-five rupees a year, and each additional Bar conferred on such Indian Officer shall carry with it an additional pension of One hundred and fifty rupees a year. In the case of a Warrant or Non-Commissioned officer or soldier of Our Indian Army aforesaid We ordain and award a special pension of One hundred and fifty rupees, with Seventy-five rupees additional for each additional Bar. On the death of these recipients of the Cross these pensions shall be continued to his widow until her death or remarriage.

TWELFTHLY, in order to make such additional provision as shall effectually maintain pure this most honourable distinction, it is ordained that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he or she be accused of any such offence and doth not after a reasonable time surrender himself or herself to be tried for the same, his or her name shall, by an especial Warrant under Our Royal Sign Manual, forthwith be erased from the registry of individuals upon whom the said decoration shall have been conferred and the pension conferred under Rules 10 and 11 shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the decoration and pension, and notice thereof of expulsion or restoration in every case shall be published in the London Gazette.

Given at Our Court at St. James's this 22nd day of May, in the eleventh year of our reign, and in the year of Our Lord one thousand nine hundred and twenty.

By His Majesty's Command

WINSTON S. CHURCHILL.

THE STATUTES OF THE DISTINGUISHED SERVICE ORDER.

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come, Greeting.

WHEREAS Her late Majesty our Beloved Grandmother Queen Victoria by a Warrant dated the 6th day of September, 1886, did institute and create a new Naval and Military Order of Distinction designated the Distinguished Service Order for the purpose of rewarding individual instances of meritorious or distinguished service in the war.

AND WHEREAS the said Royal Warrant was subsequently amended by Royal Warrants dated 24th July, 1902, 2nd July, 1903, 15th October, 1903, and 23rd August, 1916.

AND WHEREAS it is Our Royal Will and Pleasure that the Officers of Our recently constituted Air Force shall be eligible for appointment to Our said Distinguished Service Order.

AND WHEREAS We deem it expedient that all amendments to the Statutes of Our said Order heretofore promulgated, or now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual.

NOW, THEREFORE, We do hereby declare that the rules and ordinances heretofore in force for the government of Our said Order shall be abrogated, cancelled and annulled, and We are graciously pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall henceforth be inviolably observed and kept:—

FIRSTLY, It is ordained that this Order shall henceforth be styled and designated the "Distinguished Service Order."

SECONDLY, it is ordained that the Order shall consist of the Sovereign, and of such Members or Companions as We, Our Heirs or Successors shall appoint.

THIRDLY, it is ordained that We, Our Heirs and Successors, Kings and Queens, Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

FOURTHLY, it is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces or Marines, in Our Air Forces or in Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy, Army or Air Force, the holder of which is entitled to Honorary or relative Navy, Army or Air Force rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in despatches for meritorious or distinguished service in the Field, or before the enemy.

FIFTHLY, it is ordained that Foreign Officers who have been associated in Naval, Military or Aerial operations with our Forces shall be eligible to be Honorary Members of this Order.

SIXTHLY, it is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

SEVENTHLY, it is ordained that anyone who, after having performed services for which this Order is awarded, subsequently performs an approved act of gallantry which if he had not received the Order, would have entitled him to it, shall be awarded a Bar to be attached to the riband by which the Badge is suspended, and for every additional such act an additional Bar may be added.

EIGHTHLY, it is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

NINTHLY, it is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. He shall attend to the service of the Order and shall execute such directions as he may receive from our Principal Secretary of State for War.

TENTHLY, it is ordained that this Order shall rank next to and immediately after Our Order of the British Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedence next to and immediately after the Commanders of Our said Order of the British Empire and shall rank among themselves according to the dates of their respective nominations.

ELEVENTHLY, it is ordained that the Badge of the Order shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel enamelled green, the Imperial Crown in gold upon a red enamelled ground and on the reverse, within a similar wreath and on a similar red ground, the Royal Cipher, and shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

TWELFTHLY, it is ordained that the names of those whom We may be pleased to admit to Membership of this Order shall be published in the London Gazette, and a registry thereof kept in the Office of Our Secretary of State for War.

THIRTEENTHLY, in order to make such additional provision as shall effectively preserve pure this honourable distinction, it is ordained that if any person admitted to Membership of this Order shall be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall be erased, by an Order under the Royal Sign Manual, from the register of Members of the said Order. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

LASTLY, we reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at St. James's this first day of April, in the eighth year of Our Reign, and in the year of Our Lord one thousand nine hundred and eighteen.

By His Majesty's Command,

MILNER.

GEORGE THE FIFTH: by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India: to all to whom these Presents shall come Greeting.

WHEREAS We did by Royal Warrant under Our Sign Manual, dated 28th December, 1914, institute and create a new Decoration entitled "The Military Cross," to be awarded to Officers of certain ranks in Our Army in recognition of distinguished and meritorious services in time of War, and did make, ordain and establish certain rules and ordinances for the governance of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 23rd day of August, 1916, and the 25th day of June, 1917:

AND WHEREAS it is expedient that Our said Royal Warrants should be further amended:

NOW, THEREFORE, We do hereby declare that the rules and ordinances contained in our said Royal Warrants shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

FIRSTLY, it is ordained that the Cross shall be designated "The Military Cross."

SECONDLY, it is ordained that the Military Cross shall consist of a Cross of Silver having on each arm the Imperial Crown, and bearing in the centre the Royal and Imperial Cipher.

THIRDLY, it is ordained that the Military Cross may be awarded to a Captain, a Commissioned Officer of a lower grade, or a Warrant Officer Class I or II, in any of Our Military Forces, and that the Military Cross shall be awarded only to Officers of the above ranks for gallant and distinguished services in action on a recommendation to Us by Our Principal Secretary of State for War. Officers not above the substantive rank of Captain who hold the acting or temporary rank of Major, and acting or temporary Chaplains 3rd Class, shall also be eligible.

FOURTHLY, it is ordained that Foreign Officers of an equivalent rank to those above mentioned who have been associated in Military Operations with Our Military Forces shall be eligible for the award of the Military Cross.

FIFTHLY, it is ordained that anyone who, after having performed services for which the Military Cross is awarded, subsequently performs an approved act of gallantry in action which, if he had not received the Cross, would have entitled him to it, shall be awarded a Bar to be attached to the riband by which the Cross is suspended, and for every additional such act an additional Bar may be added.

SIXTHLY, it is ordained:—

(1) that a Warrant Officer Class I or II of any of Our Military Forces who has been awarded the Military Cross shall be paid a gratuity of £20 on promotion to a Commission, on transfer to Our Army Reserve, or on discharge without pension.

(2) that if he is discharged with a pension he shall be eligible for the additional pension of 6d. a day for Europeans, and 3d. a day for non-Europeans, if not already in receipt of such additional pension.

(3) that if he is awarded a Bar or Bars to his Military Cross, and he comes under sub-paragraph (1) of this clause each Bar shall for gratuity purposes be regarded as an original award of the decoration. If, however, he comes under sub-paragraph (2) of this clause, no gratuity or further addition to pension shall be issuable in respect of a Bar or Bars; and

(4) that awards of the Military Cross to Officers of an Allied or Associated Army which may be granted under the fourth clause of this Our Royal Warrant, shall not entitle the recipient to any pension or gratuity in respect thereof.

SEVENTHLY, it is ordained that the names of those upon whom We may be pleased to confer this Decoration shall be published in the London Gazette, and that a Register thereof shall be kept in the Office of Our Principal Secretary of State for War.

EIGHTHLY, it is ordained that the Military Cross shall be worn before Medals in such position in regard to other Decorations as We may from time to time assign to it, and shall be worn on the left breast pendant from a riband of 1 inch and $\frac{3}{8}$ in width, which shall be in colour white with a purple stripe—watered.

NINTHLY, it is ordained that the Military Cross shall not confer any individual precedence, but shall entitle the recipient to the addition after his name of the letters M.C.

TENTHLY, it is ordained:—

(1) that a recipient of the Military Cross who suffers death by sentence of Court Martial; or, if an Officer, is cashiered, dismissed or removed from Our Naval, Military or Air Forces for misconduct; or, if a sailor, soldier, or airman, is discharged from Our Naval, Military or Air Forces with ignominy, or for misconduct, or on account of a conviction by the Civil Power, or for having been sentenced to penal servitude; shall forfeit the Military Cross (unless otherwise recommended by the Army Council);

(2) that if a recipient of the Military Cross is convicted by the Civil Power, or is dealt with under the Probation of Offenders' Act, 1907, he shall be liable to a like forfeiture on the recommendation of Our Army Council;

(3) that the forfeiture shall be carried out under an authority bearing our Royal Sign Manual; and shall involve

(a) the erasure of the recipient's name from the Register of those persons upon whom the Military Cross has been conferred; and,

(b) the cessation of any pension or gratuity to which the possession of the decoration might entitle the recipient, but no such forfeiture shall extend to any sum of money which has already been paid.

(4) that We, Our Heirs and Successors, shall at all times have power to restore a forfeited Military Cross and with it such pension or gratuity as may have been forfeited;

(5) that a notice of forfeiture or of restoration shall in every case be published in the London Gazette.

LASTLY, We reserve to Ourselves, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these Regulations, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court at St. James's, this 6th day of November, 1920, in the eleventh year of Our Reign.

By His Majesty's Command,

W. S. CHURCHILL.

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India. To all whom these Presents shall come Greeting:—

WHEREAS, Her late Majesty Queen Victoria, by a Warrant dated the 23rd day of April, 1883, did institute, constitute and create a Decoration designated "The Royal Red Cross," to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy, and did make, ordain and establish certain rules and ordinances for the governance of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, the 8th day of September, 1909, and 10th day of November, 1915, the 15th day of December, 1917, and the 30th day of April, 1918.

AND WHEREAS it is expedient that Our Said Royal Warrants should be amended and consolidated.

NOW, THEREFORE, We do hereby declare that the rules and ordinances contained in Our Said Royal Warrants shall be abrogated, cancelled, and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

FIRSTLY, it is ordained:—

(1) that the Decoration shall be styled and designated “The Royal Red Cross,” and that it shall be divided into two Classes.

(2) that the First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words, Faith, Hope, Charity, with the date of the institution of the Decoration; the centre having thereon in relief the Royal and Imperial Effigy; and that on the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre; and,

(3) that the Second Class shall consist of a Cross of the same form and size as the First Class, but of frosted silver, with a Maltese Cross enamelled red not exceeding half its dimensions superimposed thereon, the centre having thereon in relief the Royal and Imperial Effigy; and that the reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity, and the date of institution of the original Decoration, the centre having thereon in relief the Royal and Imperial Cipher and Crown.

SECONDLY, it is ordained that the Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

THIRDLY, it is ordained that the Decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland, and that it shall be competent for Us, Our Heirs and Successors to confer either class of the Decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves in providing for the nursing of the sick and wounded of Foreign Armies and Navies.

FOURTHLY, it is ordained that the First Class of the Decoration may be conferred upon a fully trained Nurse who is a member of one of the officially recognized Nursing Services, and who has shown exceptional devotion and competency in the performance of actual nursing duties with Our Army in the Field, or in Our Naval, Military, or Air Force Hospitals, or in an Auxiliary War Hospital, over a continuous and long period, or who has performed some very exceptional act of bravery and devotion at her post of duty; and whose name has been brought to Our Notice by Our Secretary of State for War, Our First Lord of the Admiralty, or Our Secretary of State for Air.

FIFTHLY, it is ordained that the Second Class of the Decoration may be conferred upon a fully trained Nurse, or an Assistant Nurse, Probationer, or V.A.D. Nursing Member, who belongs to one of the officially recognized Nursing Services, and who has shown special devotion and competency in the performance of actual nursing duties with Our Army in the Field, or in Our Naval, Military, or Air Force Hospitals, or in an Auxiliary War Hospital, over a continuous and long period, or who has performed some very exceptional act of bravery and devotion at her post of duty; and whose name has been brought to Our Notice by Our Secretary of State for War, Our First Lord of the Admiralty, or Our Secretary of State for Air.

SIXTHLY, it is ordained that the number of awards in the First Class of the Decoration shall not exceed two per cent of the total establishment of Nurses, and that the number of awards in the Second Class of the Decoration shall not exceed five per cent of the total establishment of Nurses, the allotments to be proportionate to the number of each Nursing Service; provided nevertheless that it shall be competent for Us, Our Heirs and Successors to make such additions as, under exceptional circumstances, We may deem fitting.

SEVENTHLY, it is ordained that a recipient of the First Class of the Decoration shall not afterwards be awarded the Second Class; that recipients of the Second Class of the Decoration, if trained Nurses, shall be eligible for advancement to the First Class as vacancies may arise; and that on such advancement, the Second Class Decoration shall be returned to the Office of Our Secretary of State for War.

EIGHTHLY, it is ordained that recipients of the First Class of the Decoration, who are Our Subjects, shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names; and that recipients of the Second Class of the Decoration, who are Our Subjects, shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

NINTHLY, it is ordained:—

(1) that either Class of the Decoration may be conferred upon Ladies (other than those referred to in the 4th and 5th clauses of this Our Royal Warrant), whether subjects or foreign persons who may be recommended to Our Notice by Our Secretary of State for War, Our First Lord of the Admiralty, or Our Secretary of State for Air, as having voluntarily undertaken nursing duties and shown special devotion and competency in the performance of such duties, over a continuous and long period, in hospitals which have been specially established for the treatment of sick and wounded personnel of Our Naval, Military or Air Forces—including our Indian Forces and the Forces of Our Self-governing Dominions beyond the seas; but the First Class of the Decoration shall be conferred only upon a fully trained nurse.

(2) that any foreign lady upon whom the First Class of the Decoration is conferred under this Our Royal Warrant shall be regarded as an "Honorary Member," and that such person upon whom the Second Class is conferred shall be regarded as an "Honorary Associate," and

(3) that the numbers of each class of the Decoration which may be conferred under this Clause shall be additional to the Establishment ordained in the Sixth Clause of this Our Royal Warrant.

TENTHLY, it is ordained that if anyone upon whom the First Class of the Decoration has been conferred is subsequently recommended for such approved service as would have rendered her eligible for the Decoration, had she not already received it, she shall be awarded a Bar to be attached to the Decoration.

ELEVENTHLY, it is ordained that the names of those upon whom We may be pleased to confer the Decorations shall be published in the London Gazette, and a register thereof kept in the office of Our Secretary of State for War.

TWELFTHLY, in order to make such additional provision as shall effectually preserve pure this honourable distinction it is ordained:

(1) that if any person upon whom such distinction shall be conferred shall in the opinion of Our Army Council, our Board of Admiralty, or Our Air Council so conduct herself as to become unworthy of it she shall forfeit the Decoration.

(2) that if the recipient of this Decoration is convicted by the Civil Power, or is dealt with under the Probation of Offenders Act, 1907, she shall be liable to a like forfeiture on the recommendation of Our Army Council.

(3) that the forfeiture shall be carried out under an authority bearing our Royal Sign Manual; and that the recipient's name shall thereupon be erased from the Register of those upon whom the said Decoration shall have been conferred.

(4) that We, Our Heirs, and Successors shall at all times have power to restore a forfeited Royal Red Cross.

(5) that a notice of forfeiture or of restoration shall in every case be published in the London Gazette.

LASTLY, We reserve to Ourself, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under the Royal Sign Manual.

Given at Our Court at St. James's, this 25th day of October, 1920, in the Eleventh year of Our Reign.

By His Majesty's Command,

COLONIAL AUXILIARY FORCES OFFICERS' DECORATION WARRANT.**GEORGE R.I.**

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India: To all to whom these Presents shall come Greeting;

WHEREAS Her late Majesty, Queen Victoria, did, by Royal Warrant dated the 18th day of May, 1899, institute and create a decoration entitled "The Colonial Auxiliary Forces Officers' Decoration" (hereinafter referred to as "the Decoration") to be awarded to Commissioned Officers of Our Colonial Auxiliary Forces in recognition of long and meritorious service, and did lay down rules and ordinances for the governance of the same, which rules and ordinances were subsequently amended by Royal Warrant dated the 3rd day of August, 1902;

AND WHEREAS We desire to recognize specially the meritorious service of Officers of Our Dominion and Colonial Auxiliary Forces during the late war;

AND WHEREAS We also deem it expedient to promulgate new rules and ordinances in substitution for those contained in the aforesaid Royal Warrants;

NOW THEREFORE We do hereby declare that the rules and ordinances heretofore in force shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

FIRSTLY.—It is ordained that the Decoration shall, as heretofore, consist of a chased oval band of silver having thereon the words "Colonial Auxiliary Forces," and in the centre the Imperial Cipher in silver gilt; the whole surmounted by the Imperial Crown in silver gilt.

SECONDLY.—It is ordained that the Decoration shall be worn after all British War Medals, suspended from the left breast, by a green riband of one inch and a half in width, from a silver brooch.

THIRDLY.—It is ordained that the Decoration may be worn by Us, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the Decoration upon any of the Princes of the Royal Family of Great Britain and Ireland.

FOURTHLY.—It is ordained that the Decoration shall be conferred on duly qualified Commissioned Officers of all authorized Auxiliary Military Forces (*i.e.*, other than Permanent Forces) of Our Dominions, Colonies and Dependencies (except India) and of countries under Our Protection (hereinafter referred to as Protectorates) whether designated as Militia or Volunteers or otherwise.

FIFTHLY.—It is ordained that the period of service requisite to qualify for the Decoration shall be 20 years' commissioned service; that half time served in the ranks of the aforesaid Auxiliary Military Forces (including India) or in the ranks of the Territorial Force of Great Britain or Volunteer Force which existed before 1st April, 1908, shall be reckoned as qualifying service and that Service on the West Coast of Africa shall reckon two-fold as qualifying service.

SIXTHLY.—It is ordained that Commissioned Service rendered wholly in the Auxiliary Forces of one or more Dominion, Colony, or Protectorate; or partly in the Auxiliary Forces of one or more Dominion, Colony, or Protectorate, partly in the Territorial Force of Great Britain, or partly in any Naval or Military Volunteer Force of any part of Our Empire (except service since 4th August, 1914, in the Volunteer Force of Great Britain raised under the Volunteer Acts, 1863-1916) shall be reckoned as qualifying service for the decoration.

SEVENTHLY.—It is ordained that service on the Permanent Staff of the Auxiliary Forces of Our Dominions, Colonies, Dependencies or Protectorates by members of the Permanent Forces shall not reckon as qualifying service for the Decoration.

EIGHTHLY.—It is ordained that service qualifying for the Decoration shall also count towards the qualifying service necessary for the "TERRITORIAL OFFICERS' DECORATION" and vice versa.

NINTHLY.—It is ordained that an officer of the Auxiliary Forces of one of Our Dominions, Colonies, Dependencies or Protectorates who during the late war actually served, or accepted the obligation of serving, beyond the boundaries of the Dominion, Colony, Dependency or Protectorate shall reckon all embodied service as an officer on the active list two-fold as qualifying service towards the requisite 20 years, whether such service was in Our Naval, Our Military, or Our Air Forces.

PROVIDED that nothing in this Royal Warrant shall permit service to count more than two-fold towards the award of the Decoration.

TENTHLY.—It is ordained that an officer of the Auxiliary Forces of one of Our Dominions, Colonies, Dependencies or Protectorates who during the late war actually served, or accepted the obligation of serving, beyond the boundaries of the Dominion, Colony, Dependency, or Protectorate, shall reckon all embodied service in the ranks on the active list as full qualifying service towards the requisite 20 years, whether such service was in Our Naval, Our Military, or Our Air Forces.

ELEVENTHLY.—It is ordained that a recipient of the Decoration shall be permitted to wear with it any "Colonial Auxiliary Forces Long Service Medal" which may have been awarded to him, provided that he has completed the full qualifying service required for both the Medal and the Decoration.

TWELFTHLY.—It is ordained that the Decoration shall be conferred under such regulations as to grant, forfeiture, restoration, and other matters, in amplification of these Our rules and ordinances, as may with Our approval signified through one of Our Principal Secretaries of State, be issued from time to time by the Governors General, Governors or officers administering the government of Our Dominions, Colonies, or Protectorates, as the case may be.

THIRTEENTHLY.—It is ordained that the Colonial Auxiliary Forces Officers' Decoration shall not confer any individual precedence but shall entitle the recipient to the addition after his name of the letters V.D.

LASTLY.—We reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these rules and ordinances, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court at St. James's this 9th day of June, 1921, in the twelfth year of Our Reign.

By His Majesty's Command,

L. WORTHINGTON-EVANS.

NOTE.—(Regulations governing the award of the C.A.F. Officers Decoration are published in G.O. 146-1922 and 20-1924.)

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

Orders.

1. It is the King's wish that no subject of His Majesty in the service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:—

(a) By Warrant under the Royal Sign Manual, or

(b) By restricted permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Restricted permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign Manual is contemplated in the following cases:—

For a Decoration conferred—

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by His Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

Red Cross and kindred service will only be regarded as "valuable" for the purposes of these Regulations when they have been rendered in a war in which the Empire has itself been engaged, and when the Decoration for the wearing of which permission is sought has been conferred by an Allied State.

4. Restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Restricted permission will generally be given in the following cases:—

For a Decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

(NOTE.—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.)

(2) On Members of Deputations, of British Regiments to Foreign Heads or States;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such members of His Staff who actually attended the ceremonies in their official capacity;

(4) On Naval and Military Attaches only after completion of five years' service at the post to which they are appointed in that capacity;

5. Private or restricted permission will not be given to—

(1) British Ambassadors or Ministers abroad when leaving;

(2) Members of British Missions announcing the Accession of a Sovereign;

(3) British Officers attending Foreign Manœuvres;

(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British subject in the service of the Crown the Insignia of an order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or restricted, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a higher class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

Medals.

10. Medals conferred by the Head or a Government of a Foreign State for saving or attempting to save life at sea or on land may be accepted and worn without His Majesty's special permission.

11. Other Medals, with the exceptions specified below, are subject to the Regulations in the same manner as orders, but permission is given by Letter and not by Royal Warrant.

12. In the case of Medals for Red Cross services, permission will only be granted in the conditions laid down in Rule 3 above.

13. Applications for His Majesty's permission to wear Medals conferred by Private Societies or Institutions and Commemorative Medals cannot be entertained.

14. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to—(1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's license, and (2) Military or Naval Attaches or other Officers officially attached to Foreign Armies or Navies during hostilities.

15. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

General.

16. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates or Possessions.

17. Ladies are subject to the Regulations in all respects in the same manner as men.

THE DISTINGUISHED CONDUCT MEDAL.

GEORGE R.I.

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all of whom these Presents shall come Greeting:—

WHEREAS Her late Majesty Queen Victoria, by a Warrant under her Royal Sign Manual dated 30th September, 1862, did institute and create a silver medal bearing the words "For Distinguished Conduct in the Field," to be granted to sergeants, corporals and privates of the Regular Army, for individual acts of distinguished conduct in the Field in any part of the world;

AND WHEREAS the rules and ordinances for the governance of the same have been amended from time to time;

AND WHEREAS We deem it expedient that the said Royal Warrant, as well as amendments thereto, which have been heretofore promulgated, or are now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual.

NOW, THEREFORE, We do hereby declare that the rules and ordinances heretofore in force shall be abrogated, cancelled and annulled; and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept.

FIRSTLY, it is ordained that the medal which shall be of silver, shall be designated "The Distinguished Conduct Medal," and shall bear on the obverse the Royal Effigy, and on the reverse the words "For Distinguished Conduct in the Field."

SECONDLY, it is ordained that the Distinguished Conduct Medal may be awarded on the recommendation of a Commander-in-Chief in the Field to Warrant Officers Classes I and II, non-commissioned officers and men, serving in any of Our Military Forces for distinguished conduct in action in the field.

THIRDLY, it is ordained that should anyone who has been awarded the Distinguished Conduct Medal be subsequently recommended for such approved act or acts of distinguished conduct in action in the field as would have rendered him eligible for the Medal, had he not already received it, may be awarded a Bar to be attached to the riband by which the Medal is suspended; and that for every additional act or acts of distinguished conduct an additional Bar may be awarded.

FOURTHLY, it is ordained that the Distinguished Conduct Medal shall not confer any individual precedence, but shall entitle the recipient to the addition after his name of the letters "D.C.M."

FIFTHLY, it is ordained that the names of those upon whom We may be pleased to confer the Distinguished Conduct Medal shall be published in the London Gazette, and that a register thereof shall be kept in the office of our Principal Secretary of State for War.

SIXTHLY, it is ordained that the Distinguished Conduct Medal shall be worn before War Medals in such order as We may from time to time assign to it, and that it shall be worn on the left breast pendent from a riband of one inch and one-quarter in width, which shall be in colour crimson, having in the centre a dark blue stripe of a width equal to the crimson stripes on each side of it.

SEVENTHLY, it is ordained:—

(1) that a Warrant Officer Class I or II, non-commissioned officer or man belonging to any of Our Military Forces who has been awarded the Distinguished Conduct Medal shall be paid a gratuity of £20 on promotion to a Commission, on transfer to Our Army Reserve or on discharge without pension;

(2) that if he is discharged with a pension he shall be eligible for an additional pension of 6d. a day for Europeans, and 3d. a day for non-Europeans, if not already in receipt of such additional pension;

(3) that, if he is awarded a Bar or Bars to his Distinguished Conduct Medal, and he comes under sub-paragraph (1) above, each Bar shall for gratuity purposes be regarded as an original award of the medal. If, however, he comes under sub-paragraph (2) above, no gratuity or further addition to pension shall be issuable in respect of a Bar or Bars; and

(4) that soldiers of an Allied or Associated Army, of ranks equivalent to those of Our Military Forces specified in the second clause of this Our Royal Warrant, who have been associated in operations with our Military Forces shall be eligible for the award of the Distinguished Conduct Medal but no pension or gratuity shall accompany such award.

EIGHTHLY, it is ordained:—

(1) that a recipient of the Distinguished Conduct Medal who suffers death by sentence of Court Martial; or, if an officer, is cashiered, dismissed or removed from Our Naval, Military or Air Forces for misconduct; or if a soldier, sailor or airman is discharged from Our Naval, Military or Air Forces with ignominy, or for misconduct, or on account of a conviction by the Civil Power, or for having been sentenced to penal servitude, shall forfeit the Distinguished Conduct Medal (unless otherwise recommended by Our Army Council).

(2) that if a recipient of the Distinguished Conduct Medal is convicted by the Civil Power, or is dealt with under the Probation of Offenders Act, 1907, he shall be liable to a like forfeiture at the discretion of Our Army Council.

(3) that the forfeiture of the Distinguished Conduct Medal shall involve:—

(a) the erasure of the recipient's name from the register of persons upon whom the Distinguished Conduct Medal has been conferred; and

(b) the cessation of any pension or gratuity to which the possession of the medal might entitle the recipient, but no such forfeiture shall extend to any sum of money which has already been paid;

(4) that a forfeited Distinguished Conduct Medal and any forfeited annuity, pension or gratuity attaching to it, may be restored to its former holder under regulations approved by Our Army Council;

PROVIDED that We, Our Heirs and Successors, shall at all times have power to restore a forfeited Distinguished Conduct Medal, and with it such pension or gratuity as may have been forfeited.

(5) that a notice of forfeiture and of restoration under this clause shall in every case be published in the London Gazette.

LASTLY, We reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these Regulations, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court at St. James's, this 6th day of November, 1920, in the eleventh year of Our Reign.
